FISCAL IMPACT STATEMENT

LS 6122

BILL NUMBER: HB 1014

NOTE PREPARED: Nov 3, 2006

BILL AMENDED:

SUBJECT: Restrooms in License Branches.

FIRST AUTHOR: Rep. Pond

FIRST SPONSOR:

BILL STATUS: As Introduced

FUNDS AFFECTED: **GENERAL**
 X DEDICATED
 FEDERAL

IMPACT: State

Summary of Legislation: This bill requires a license branch to be located in a building that has restroom facilities available for use by individuals having business in the branch.

Effective Date: July 1, 2007.

Explanation of State Expenditures: The Bureau of Motor Vehicles Commission (BMVC) has previously estimated the cost between \$10,000 and \$15,000 per branch to add a restroom to an existing facility. Based on this estimate and considering inflation, the figure would range between \$12,274 and \$18,417. If the 93 existing branches not meeting the requirements of the bill were to have restrooms added to the existing facility, the total estimated cost would range between \$1.14 M and \$1.71 M. The fund affected is the state License Branch Fund which supports the BMVC.

The BMVC has noted that adding restrooms is something that is typically done when a branch is moved. Restrooms have been added as the BMVC moves into larger or improved facilities in various locations.

Background Information: Of the 142 current license branches, 41 currently have restrooms in the branch and 8 have restrooms adjacent to the branch, but in the same building.
